What to expect

An internship at Kautex means taking on a similar level of responsibility and learning as an early career hire. You will be supplied with projects and work that make a difference and you'll have visibility to senior leaders at your facility.

You will be involved in every major task of the Accounting Department.

Also, you'll learn to work in programs such as: SAP, Ariba.

Starting date : November

Description of the company

We - about 6500 employees in 16 countries - are Kautex Textron. As one of the Top 100 global automotive suppliers, we develop innovative fuel tank systems for all of the world's leading car manufacturers.

In Romania we have as main clients Ford and Fiat. As a leading manufacturer of plastic fuel tank systems, we have successfully met the challenges of the market and we continue to advance its development. You will find our products in vehicles of almost all automotive manufacturers worldwide. You are looking for new chances and challenges? We can offer sophisticated tasks with a high level of personal responsibility and upward mobility!
